

BALLO DI SAVOIA COVID GUIDELINES

The 2021 Gala Dinner will follow all relevant national, state and city COVID guidelines. Since those guidelines are often update, we would urge patrons to consult the following websites:

<https://www.cdc.gov/coronavirus/2019-ncov/index.html>

<https://forward.ny.gov>

<https://www1.nyc.gov/site/doh/covid/covid-19-main.page>

<https://www.cdc.gov/media/releases/2021/s1126-B11-529-omicron.html>

As of August 17, the city of New York requires for Galas like the American Foundation of Savoy Orders' Ballo di Savoia that all those 12 and older show proof that they have received at least one dose of a COVID-19 vaccine approved by FDA or the World health Organization.

Acceptable proof of vaccination would be a CDC vaccination card (a photocopy is acceptable), the Excelsior Pass, the NYC Covid Safe App or an official immunization record (or photocopy of it) from a health care provider.
